

## DO YOU OPPOSE NUCLEAR WEAPONS?

Did you know that **Lothian Pension Fund** invests over **£100 million** in nuclear weapons producers?

Companies like Lockheed Martin and General Dynamics make vast sums of money producing weapons that are designed to destroy cities and kill millions of people.

Profiting from weapons of mass destruction is not acceptable!

**Midlothian Council** has already passed a resolution calling on Lothian Pension Fund to divest.

# WHAT CAN YOU DO?

- If you live in **Edinburgh, East Lothian** or **West Lothian**, write to your local councillors to explain why Lothian Pension Fund should divest from nuclear weapons and ask them to support our model resolution.
- Check out the **CAMPAIGN** page of our website for a copy of the model resolution and our template letter;  
<https://nukedivestmentscotland.org/local-authority-divestment-resolutions/>
- Show your support for our campaign on social media and follow us Twitter for updates: **@NukeDivestScot**
